“ To the Cook and Quinlan families,
Eileen and I were close at one time. We did a lot of fun things together that will always make me smile when I think of them...like visiting the great estate mansions in Rhode Island, camping in the Catskills and waking up to 20 degrees and snow, going to the beach and getting sunburned so bad that the tops of Eileen's feet turned purple and she had to wear flipflops to work for a week, taking me to Syracuse to watch a BB game at the Carrier dome, picking raspberries at Bob's Fishkill house. I am honored that Eileen was one of my bridesmaids in my first marriage. She looked wonderful in the light cranberry gown. Life's twists and turns took us apart eventually, other than for a few chance meetings at the IBM cafeteria or watching our girls

compete at swim meets. Family meant everything to Eileen so I am very happy that in her lifetime she found true love and fulfillment with Bob and their beautiful girls. My heart felt sympathies go out to you, Bob, Julie and Sarah. I will always pray for you and for Eileen now that she is in heaven (probably reading a good mystery.)

“ Bob, Julie, and Sarah, your family and this world has lost a truly amazing woman, and my heart is deeply saddened for your loss. While I only had the pleasure to be in Eileen's company on a few occasions, it only took one occasion to know and see her love of life and of each of you. I remember fondly sitting in the lobby of my hotel in East Fishkill for hours chatting as if we'd known each other for years. And I am so very thankful for having had to chance to reconnect in October when you were in North Carolina. I hold each of you in my heart, in my thoughts, and in my prayers. May God bring you strength to endure the days ahead and may your treasured memories bring you comfort when you need it most.
