“ Dear Family and Friends of Patricia Heller, even though I did not personally know Mrs. Heller, the loss of every human life is significant to me and should be valued by all. The Bible book of Hebrews reminds us that God does not forget all of the love and fine works shown by his servants (Heb. 6:10). We are also promised that there will be a time in which pain that we now experience with this loss "will not be called to mind" (Isaiah 65:17) The promise of Paradise, the perfect conditions God intended for mankind, will be fulfilled (Ps. 37:11). Meanwhile we have the opportunity to follow Jesus' instruction to continue to take in Bible knowledge that leads to everlasting life (John 17:3). Hopefully faith in these Bible promises will ease the pain from this loss as you look forward to seeing Patricia Heller again in perfect Paradise conditions. Please be comforted by these thoughts.
